Have you heard? Gold is the new Green!

It's time to gather up all your old, outdated and unwanted gold jewelry and bring it to the Jewish Home. Julie DuFine, The Golden Girl, will evaluate your jewelry, weigh it and then quote you a price based on the NY spot gold price of the day. If you wish to sell your pieces, Julie will write you a check and then another check will go to The Executives/Jewish Home for 15% of the transaction. With gold hitting record highs, you would be shocked to see how much that solo earring, your old charm bracelets and Carrie-esque "Sex And The City" necklace are worth! So dig out that old jewelry box and get to your safe deposit box. Check in with your mom, aunts and grandmas. Those old bangles, "S" chains and gold watches are bringing in very large checks. And don't forget the men's "antique" collection. Cash in those heavy ID bracelets and chunky nugget rings!
